

Registered Nurse- Streller Family Wellness

Job title: Registered Nurse
Location: Mustang, Oklahoma
Terms: Part Time, Hours flexible and schedule created upon hiring
Hourly rate: \$28-34/hour, varies on experience
Requirements: Must have RN license in state of Oklahoma, IV skills required. Preferably at least 1 year experience with prior hospital or primary care experience.

About us: Streller Family Wellness is a Direct Primary Care clinic in Mustang, Oklahoma. We use a membership model of healthcare that allows patients to have direct access to provider via same and next day appointments, text messages, and phone. Our clinic is patient focused to provide the best possible experience in every possible way.

About the role: The registered nurse will work directly with Jessica, APRN-CNP, in helping to manage patient care and relationships. Upon hiring, the weekly schedule will be created with what works best for the clinic and the RN. It will be expected that this role will start at 20 hours per week. The RN will be expected to help with rooming patients, answering phone calls, office/secretarial duties including prior auths/supply management/patient appointments/patient follow ups along with nursing tasks (i.e., injections, blood draws, vitals). The RN will be expected to self-manage some items and find tasks to complete during idle times. The RN will have IV skills as well with addition of IV therapy for both members and non-members.

Responsibilities:

- Work directly with Jessica providing patient care.
- Creating a comfortable, open environment where the patients feel like family.
- Performing vitals, injections, lab draw, etc
- Assisting with prior authorizations, faxes, patient follow up.
- Assisting in office duties including greeting patients, following up with drug reps, stocking, cleaning
- Assisting in social media, advertising, and promoting of the clinic
- Occasional on call will be discussed as well.
- Provide IV therapy for patients, creating a schedule around the nurse's schedule along with compensation.

Candidate requirements:

- Registered nurse in state of Oklahoma
- Must have IV experience.
- Must be self-driven as this position can be slow paced at times.
- Must be friendly, flexible, and ready to help with even mundane tasks/issues, etc to help our patients know we value them and care for them.

Streller Family Wellness is a fun, and hard-working environment that puts patient's first. We strive to make sure patients are comfortable and at ease from the moment they walk into our doors. This nursing position is perfect for the RN who wants flexibility but is self-driven as this clinic is continuing to grow. The RN will have the ability to have added compensation as we grow our IV therapy services with the focus of allowing the RN to manage and promote these services to the public around the RN's schedule.
